Dragons on the Lake Dragon Boat Festival
Portage Lakes State Park, Turkeyfoot Beach
5031 Manchester Road
New Franklin, Ohio 44319

Team Captain,

This year we are emailing the team forms for you to print, sign and return. This is to make it easier for you to share the information with your team. The information contains everything you need to prepare for the big event. The link below includes access to several forms which you will need to complete and return promptly to finalize your team's registration. Your team will receive a 60 minute dragon boat paddling practice session, and a schedule will be emailed **early July** with many time options. The **sooner** you email the better chance of getting your preferred time choice.

Community Fundraising

We will be providing a \$200 PLX restaurant gift card for the team who brings in the most donations (dollar amount) for their team OR you can choose to have Penny steer for you all day. All donations, large and small are welcome. We will be sending out information for how to fundraise for the event and also a link for your friends and families to sponsor you and your team. All donations must be turned in before 9:00 am Race Day.

Thank you for participating in our *Dragons on the Lake* Dragon Boat Festival.

Registration Instructions

All forms need to be received before a team can participate in a practice paddling session. You can email the forms to Christine at
